In order to take out a daily license, you have to go to the bottom of the registration button and click on "Show all categories and category types".

- The organizer will then confirm the registration with the indicated start number (or another one) within about 3 days. Orange = not yet confirmed by the organizer / red = not yet paid and possibly documents still missing / green = paid and shown even if documents are still missing.

Confirmed registration for year category / day license	Enrolled		202
Confirmed registration for year category / day license	Incomplete	Unp.	202
Confirmed registration for year category / day license	Enrolled		202
Unconfirmed registration for year category / day license	Incomplete	AdmUnc.	202
Unconfirmed			

In „Dashboard,,, also indicates if all points have already been completed or if they still need to be completed.

The transponder can be rented on site in the jury car against a deposit of CHF 50.00.

You can also click on the button "Buy a transponder". You will then be contacted.

Your transponders

You can edit your transponders later anytime

I already have a MyLaps transponder

I already have a Chronolec RF transponder
The battery of the RF Chronolec transponder must be replaced every 3 years

Buy transponders

Used transponders

- Motocross - MX2 125: MyLaps

Depending on the category and regulations

- a separate transponder must be bought
- a transponder per event is provided for a fee
- a transponder per event is provided free of charge

Please inform yourself in the corresponding regulations about...

The most comfortable in any case is to order and use your own...

I order the following transponder

MyLaps X2 / TR2 MX, 5-year subscription, motocross SAM/MXRS/S

Mylaps TR2, purchase variant, motocross SAM/MXRS/S

Chronolec RF, purchase variant, motocross FMS, CHF 75

On the financial side, you have an overview of paid and unpaid invoices for registration fees / daily fees / annual licenses, etc.
